VISION

"Become a center for the development of Business Administration which is used as a national reference and is known by the ASEAN community"

MISSION

1. **Organizing and developing PSAB** management that prioritizes the values of transparency and accountability and provides excellent service to *stakeholders*.
2. **Organizing and developing education** using educational technology (curriculum, infrastructure, knowledge, and teaching systems) that produces graduates who are adaptive to change and competitive.
3. **Carrying out and developing research to find**, develop and test business administration knowledge that strengthens and enriches education and teaching and improves the welfare of society.
4. **Organizing and developing community service** based on sensitivity in identifying problems and implementing research that contributes to solving problems in society.

About Us

The Bachelor of Business Administration (BBA) is a pioneering institution for business education in Indonesia, namely since the 1960s. Currently, Business Administration has been accredited by Indonesian National Accreditation and International Accreditation Council for Business Education (IACBE) .

BBA creates graduates with competent skills in formulating, analyzing and designing solutions related to all problems in the business world.
