JAPANESE LITERATURE International Undergraduate Program

FACULTY OF CULTURAL STUDIES
UNIVERSITAS BRAWIJAYA
2024-2025 Academic Year

Study Program Description

This international undergraduate program is renowned for teaching modern Japanese language and culture and interdisciplinary studies by promoting critical thinking. The study program also offers international experiences through short courses, student exchanges, and internships in Japanese companies. The program curriculum enables students to study not only literature, culture and the Japanese language but also ethics, teaching, tourism, politics, media, translation and history related to Japan.

Alumni Testimonial :

Candi Fakhri Faishol Junaria
Awardee of Monbukagakusho Program at Nara University of Education in Nara Kansai, Japan

"During my study as a student at the Japanese Literature Study Program, I had an opportunity to join the Monbukagakusho Program at Nara University of Education in Nara Kansai, Japan. The materials and insights given by my lecturers in Indonesia had helped me prepare for the selection process held by the Japanese Embassy of Indonesia"
